

YOU'RE IN GOOD COMPANY

THE TEAM BEHIND POSICHARGE™ SYSTEMS SERVE MORE THAN 10,000 VEHICLES WORLDWIDE.

- 8 of the top automotive giants worldwide
- 7 of food and beverage's largest companies
- 15 of the Fortune and Global 500
- 9 of the 10 largest US airlines, with PosiCharge stations in all major North American hubs

"Bolthouse has seen a large reduction in maintenance costs associated with battery care, and most importantly, our operators love the ease of operation with the system and the improved productivity it allows them to attain."

*Joe Gamez, Mobile Equipment Supervisor
Bolthouse Farms*

"...our new facility is now operating seamlessly with your state-of-the art technology."

*Doug Bame, Capital Engineering Manager
Dreyer's Grand Ice Cream*

"The AeroVironment technical team demonstrated that they are experts in their field and out-of-the-box thinkers that could be real partners in meeting our unusual requirements."

*Mitch Rosenberg, VP Marketing
Kiva*

"Not only do AeroVironment's PosiCharge systems stand out because of their people, but the products are state of the art...PosiCharge products have consistently rated above the competition for our operational needs."

*Jody Lonagan, Manager Ground Support Equipment
Continental Airlines*

"...tests indicated that the batteries retained capacity well beyond standard fast-charge battery warranty expectations."

SYSCO Foods Services Fast Charge Results

"Based on past performance...the PosiCharge system(s) will be the UA standard..."

*Andrew Alexander, Manager of GSE / Facilities Planning
United Airlines*
