No initiation fee. No cancellation fee. No strings attached.

### Share the love!

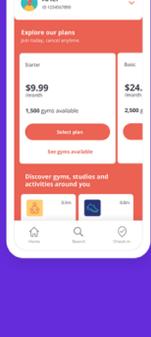

When you become a member, you can invite your dependents to buy their own Gympass plans.

## Register for free now!

**1. Download the app on your smartphone or go to our website**

**2. Create a free account with your work email or employee ID and choose a plan that works for you**

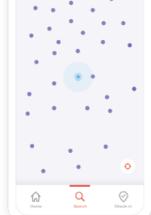

**3. Select a payment method to activate your plan**

## Access gyms and studios

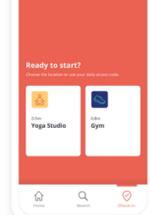

**1. Open the Gympass app or website and search for a gym or activity. You can access all gyms and studios available in your plan**

**2. When you arrive at the gym, open Gympass app and click on the check-in icon**

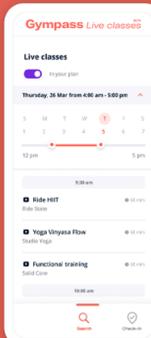

**3. Find your gym on the list and select the workout you want to do. Done!**

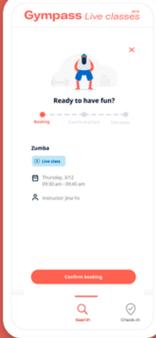

## Join a live-streamed class

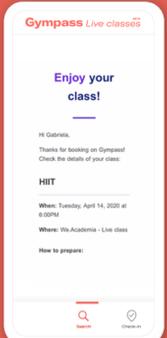

**1. Open the Gympass app or website and go to the Live Classes section**

**2. Check out available classes or search for a gym, studio, or activity. Book a class and confirm it**

**3. On the day of the class, you'll receive a link via email. Done!**

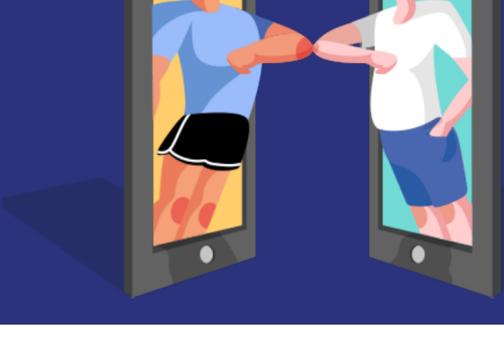

## Workout with personal trainer sessions

**1. Open the Gympass app or website and go to the Live Classes section**

**2. Search available classes using the filter "personal training"**

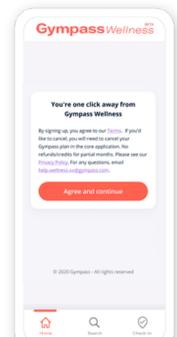

**3. Book a class. Then confirm it**

**4. On the day of the class, you'll receive a link via email. Done!**

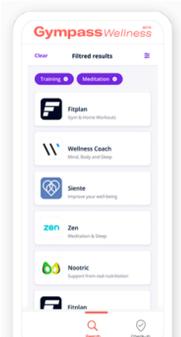

## Enjoy on-demand classes and sessions

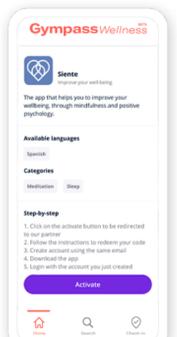

**1. Open the Gympass app or website and go to the Wellness section**

**2. Check out the list of partner apps available**

**3. Choose one app, read the instructions, and click on the "activate" button. That's it!**

## Frequently Asked Questions

### How do I sign up my dependents?

Once you activate your plan, you will see the option to add your dependent on our homepage. Click **'add a dependent'**, then enter their information, and they will receive a welcome email from Gympass.

### My favorite gym isn't part of the network. Can you add it?

We take referrals! Our Gym Partnerships team is constantly working to expand our growing network. Submit your referral via your Gympass account. Whether on the Gympass app or website, click on 'Profile' and then **'Refer a gym'**. Fill out the form, and we will update you if it is added to the Gympass network.

### How do I change or cancel my plan? Is there a charge?

There is no enrollment fee or minimum contract length. You can make changes to your plan at any time by logging into your account. **Select Profile > My Plan > Change or Cancel Plan.**

If you need assistance or have questions, **contact help.me@gympass.com**. The active plan at the time of cancellation will continue through the end of the monthly billing cycle. Please be sure to make any changes to your plan prior to this date.
